

SEBASTIAN SPANACHE

PIANIST AND COMPOSER FROM TIMISOARA, ROMANIA

A BJA award winning jazz pianist working in the fast paced music industry covering almost all aspects of performance and production. Proven experience in composing, releasing, and touring with live ensembles - as well as arranging, sequencing, tracking, and mixing A/V material in a wide spectrum of genres.

Highly creative, detail-oriented professional with strong musical skills, Sebastian is dedicated to creative excellence, technical mastery, and high-level problem solving.

With a preference to work in house, Spanache endeavors to fully grasp the project's goals and develop the necessary relationships needed to deliver AAA quality products.
